<i>Location:</i>	Kosovo - Mitovicë	

<i>Name of the Institution:</i>	University of Prishtina - Faculty of Geoscience and Technology
<i>Position:</i>	Head of Geology Department
<i>Description:</i>	Provides realization of plan - program and for all matters relating to the development of teaching and examination; analysis of attendance and retention of students and teaching staff engagement in the implementation of the curriculum.
<i>Dates:</i>	1991 – ongoing
<i>Location:</i>	Kosovo - Mitrovicë
<i>Name of the Institution:</i>	University of Mitrovica “Isa Boletini” – Faculty of Geosciences
<i>Position:</i>	1991 – 1996 Assistant, Lecturer 1997 – 2003, 2004 – 2010 Professor Assistant, 2010 – Associate Professor, 2014 - Professor
<i>Description:</i>	Lecturers from Statistics and data analysis in geology; Applied Geostatistics; Software application in Geology, Software in Geology, Geology of coal, Geology of oil and gas.
<i>Dates:</i>	December 2003 - September 2010
<i>Location:</i>	Kosovo – Prishtinë
<i>Name of the Institution:</i>	Independent Commission for Mines and Minerals
<i>Position:</i>	December 2003 – December 2005 Principal geologist – resources ; January 2006 - March 2007 Head of Geology Department , April 2007 – September 2010 Deputy Director
<i>Description:</i>	Planning and preparing of ICMM Budget and control of budget implementation; Planning of ICMM Procurement and controlling implementation of contracts; Performing all functions delegated to me by the Board; Conducting the ordinary business of the Commission in accordance with any decisions or instructions issued by the Board; Organizing, appointing and dismissing staff of the Commission in accordance with any decision made or instruction issued by the Board;
<i>Dates:</i>	June 1988 – December 2003
<i>Location:</i>	Kosovo – Drenas (Glllogovc)
<i>Name of the Institution:</i>	“Ferronikeli”, Mine “Çikatovë e Vjetër”
<i>Position:</i>	1988 – 1999 Mining geologist, 2000 – 2003 Head of Geology
<i>Description:</i>	Obtaining permits and approvals for the project (exploration, mining, environmental, health and safety etc); Participating in geological surveys, assessments and assay programs; Geologic and mine modelling; Detailed mine design and planning; Economic evaluations; Providing accurate and timely reports and documentation; Assisting in other related project tasks as required.
11. Education and training:	
<i>Dates:</i>	05.06.2013 - 11.06.2013
<i>Title of qualification awarded:</i>	Teaching methodology: Creating and Facilitating Adult Learning Academic Leadership in Universities Action Research in Educational Settings Mentoring Graduate Students
<i>Principal subjects/occupational skills covered:</i>	Experience and discuss some principles of active learning. How to ask the right questions and facilitate deep thinking. Bloom’s Taxonomy. Teaching Lectures.

	Academic leadership; best practices and improvement; Leadership, Administration, Management. Research; Action research. Basic approach. Action Research Spiral. Action Plan. Mentoring. Student Perspective: Mentor as Advocate; Mentor as Guide; Importance of Engagement. Mentoring Cycle: Initiation; Cultivation; Separation; Redefinition. Mentoring throughout the program.
<i>Name and type of institution providing education and training:</i>	Presented to the University of Pristina, Kosovo Dr. Melanie C. Brooks Dr. Jeffrey S. Brooks Iowa State University
<i>Level of national and international classification:</i>	Certificate
<i>Dates:</i>	22.11.2004 – 03.12.2004
<i>Title of qualification awarded:</i>	“GIS in Geological Surveys and Mining Departments”
<i>Principal subjects/occupational skills covered:</i>	
<i>Name and type of institution providing education and training:</i>	Federal Institute for Geosciences and Natural Resources of Germany. Hanover – Freiberg, Germany
<i>Level of national and international classification:</i>	
<i>Dates:</i>	September 2009 – February 2010, UBT
<i>Title of qualification awarded:</i>	Training and Certificate for Quality Systems Manager & Auditor Candidate Quality Management Systems
<i>Principal subjects/occupational skills covered:</i>	Required knowledge and to build up and efficiently further develop a company-specific quality management system (ISO 9000 et seq), create verification documentation for such systems and the basic skills to conduct internal audits. Promote the integration with other management systems such as for example environment and safety. Familiar with the tools and statistical methods for arriving at decisions, the methods of quality promotion, quality motivation and quality cost accounting corporate processes and to actively participate in the organization
<i>Name and type of institution providing education and training:</i>	University of Business and Technology in Prishtina according to Quality Austria guidelines
<i>Level of national and international classification:</i>	Quality Systems Manager according to the criteria of the EN ISO/IEC 17024
<i>Dates:</i>	January 12 – 13, 2006
<i>Title of qualification awarded:</i>	Workshop "Tectonomagmatic controls on porphyry and epithermal mineralization": Prof. Jeremy Richards, University of Alberta, Canada; Dr. Tim Baker, James Cook University Townsville, Australia.

<i>Principal subjects/occupational skills covered:</i>	
<i>Name and type of institution providing education and training:</i>	SE Europe Geosciences Foundation – Specialist Workshop Sofia, January 12 – 13, 2006
<i>Level of national and international classification:</i>	
<i>Dates:</i>	March 4 – 7, 2007
<i>Title of qualification awarded:</i>	Workshop "International reactions to mining projects", Short course "“Geophysics for everyone.”"
<i>Principal subjects/occupational skills covered:</i>	
<i>Name and type of institution providing education and training:</i>	Prospectors & Developers Association of Canada, March 4 – 7, 2007 Toronto, Canada
<i>Level of national and international classification:</i>
