Organising skills :	<p>As a student of Mining Faculty, I have been the organizer of many activities whether literary, scientific or sports, where during this period we have also issued the student’s monthly magazine. Then I was the head of students’ organization and member of the scientific council of this faculty. After completing my studies, I started working at Trepça mine in Stantërg, initially as head of the X level and then as a technical project manager.</p> <p>In 2005, I started working at the Ministry of Energy and Mining. From there I have been coordinator and leader of the working group for drafting policies and mining strategy, I have been a leader and a member of many working groups mainly in mines and energy, related to legislation, environment, mining policies.</p> <p>I am currently board member of the ICMM Management Board, and assistant at UMIB - the Faculty of Geosciences. Recently I earned academic title assistant professor in mining faculty.</p> <p>I would like to emphasize my experience as an assistant at the University of Humboldt in Berlin, Germany in the academic year 2013/2014, where I took not only academic but managerial experience.</p> <p>I’m the author, editor-in-chief of a book; author of several scientific papers in different conferences with IF and indexed as well.</p> <p>I have finished about 30 trainings abroad and within the country in field of project management, mining economics, environmental protection, politics and strategy.</p> <p>I speak fluent in two foreign languages, English and Serbo-Croat.</p>	

	<p>For my dedication to professional work I have also received relevant references and awards. Interested people can find some of my professional and scientific activities at:</p> <p>https://independent.academia.edu/kemajlZeqiri, where it can be seen that the works have been read and downloaded from many countries around the world, includes: USA, Australia, Kanda, India, China, UK etc Sincerely, KZ! ...</p> <p>https://www.researchgate.net/profile/Kemajl_Zeqiri2 https://independent.academia.edu/kemajlZeqiri,</p>
