WORK PLAN 2021
QUALITY ASSURANCE OFFICE

Mitrovica, 2021

SCOPE OF THE OFFICE

Based on the Statute of the University "Isa Boletini" in Mitrovica, the Regulation on internal organization and systematization of jobs in UIBM, the Regulation of quality assurance and evaluation in UIBM, the office for quality assurance is an office within the central administration of UIBM.

The UIBM Quality Assurance Office is an independent office, which reports directly to the UIBM Rector. This Office is committed to increasing the quality of UIBM by implementing all institutional policy. The Office consists of quality officers, recruited through public competition. Quality officers at QAO are not part of the UIBM academic staff. The Office ensures measuring the quality through all the instruments of the instrument package at UIBM. The Office compiles reports with findings and recommendations for each questionnaire conducted, and sends it to the Rector of UIBM. The Office also sends the data from the questionnaires to the Dean of the academic unit in order to plan for the development of the academic staff and their continuous improvement. The mission of the Office is to ensure a quality level of teaching, learning, study programs, research and administration of UIBM through continuous implementation and improvement of quality, and to ensure that mechanisms and procedures for achieving quality are functional. The fulfillment of this mission is in line with the mission of the institution and serves the fulfillment of its vision to be the best public university in the country and the region, and to prepare staff who will contribute to the development of the local and global community, in specific fields of study.

The duties and responsibilities of the Office are:

1. Implementing the procedures, which include processes and system of evaluation;
2. Supervise and assist in the continuous improvement of quality control processes through fair and appropriate methods-actions;
3. Review the efficiency of the quality system and provide professional support to CCQAE regarding the evaluation procedures and development of different types of questionnaires at UIBM and UIBM Faculties;

4. Undertaking actions for evaluation of quality assurance of both study and training programs, in cooperation with the faculty management and relevant officials of faculties, in order to achieve the objectives and quality control;
5. Cooperation with relevant actors at UIBM and faculties at all phases of action for the implementation of the quality assurance and quality control system;
6. Coordination and implementation of activities related to the self-assessment of the institution;
7. Determining the credit points earned by the participants based on the defined criteria, depending on the institution to which it is applied;
8. Prepares the self-assessment report and the necessary documentation for accreditation according to the applicable legislation.
